Continued from Solution "A"

TIPS AND CAUTIONS

Always blot dry fibers to be treated before application of "Stain Magic".

Always mix fresh solution and use within five minutes.

Covering treated fibers with clear plastic will improve performance.

Always dispose of unused solution. Never place mixed solution in closed container or pressure will build up and cause container to burst.

Avoid storing product in direct sunlight to prolong shelf life.

Always test inconspicuous area for color fastness before using.

Note: This product can cause discoloration of natural fibers if allowed to dwell for extended periods of time. For natural fibers use Pro's Choice "Stain Magic for Wool".

Solution B

For Professional use only. Keep away from children. Read Instructions and Cautions on Side Panel.

1 US Quart (909 ML)

PH when mixed with part "A": 9
VOC Compliant

PRO'S CHOICE™

Bio-degradable

THIS PRODUCT CONTAINS:

Ammonium Hydroxide CAS #1336-21-6, Proprietary detergent blend.
